LEISURE

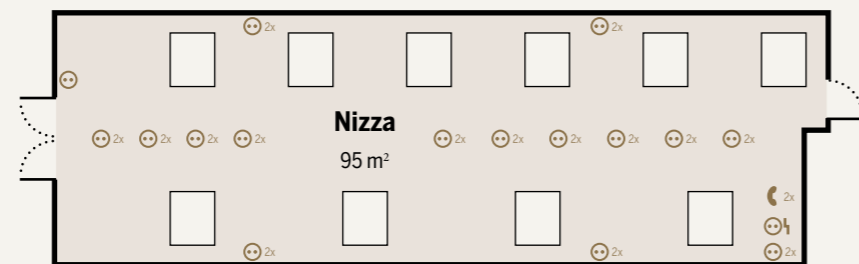

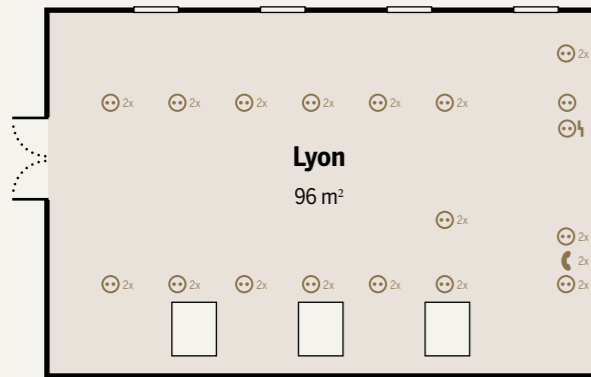

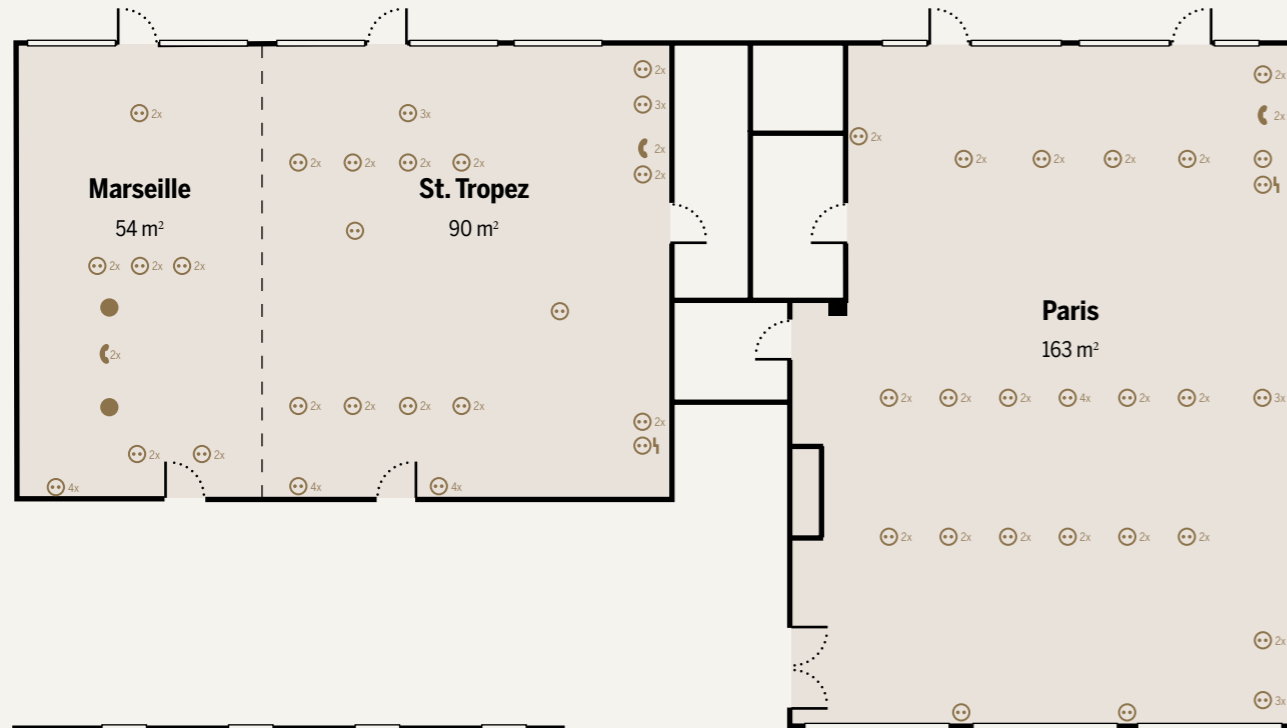

Local attractions

Our hotel is located directly opposite Leipzig main railway station, which is also home to a large shopping centre called the Promenaden Hauptbahnhof. Containing no fewer than 142 shops, the 3-storey shopping centre is the perfect place for a little retail therapy. If you'd like to get away from the hustle and bustle, you can cross over the street and take a stroll through the interlinking Promenadenring parks. The city of Leipzig offers leisure activities in abundance, such as the famous Gewandhaus, the legendary Auerbach's Cellar and numerous museums and collections - all within walking distance. Hotel guests can also enjoy entertainment and sport at the nearby gym and bowling centre, or the swimming pool with sauna and solarium. And while we're on the subject of sport... football fans can also watch exciting Bundesliga matches just three kilometres from our hotel.
