THE VILLA

A TOUCH OF ROME

1st century AD: in the ancient world, Roman squires live in the most splendid mansions, right here, at the foot of gently rolling hills. Just a few steps away from Schloss Berg, silent witnesses of this long gone era can still be visited – the Roman Villa in Nennig, for example, which is known for its impressive mosaic floor.

Our Villa, Schloss Berg's main building, is also a reminder of the epoch of magnificent Roman mansions and antique viticulture. It is designed with a classic Villa Urbana in mind. Look closer and discover the many references to the past – from the lovely playful ornaments to our extravagant Roman Suites, inspired by Roman mythology.

THE CHÂTEAU

RESIDENCE OF NOBLE LADIES
AND VALIANT KNIGHTS

9th century AD: on historic grounds, history continues to be made through the Middle Ages. A moated castle is built on this very site, its residents change numerous times. In the 16th century, the castle is turned into a sublime Renaissance château. It is only during World War II that the mighty walls of the majestic building come tumbling down.

At the end of the war, the resurrection – and shortly before the millennium, a new calling: with its gorgeous guest rooms and one of the best restaurants in Germany, *Victor's FINE DINING* by *Christian Bau*, Schloss Berg transforms into a true El Dorado for bon vivants from all over the world.

VICTOR'S SPA

FOUNTAIN OF BEAUTY

The healing powers of water in its myriad of manifestations were well known in antiquity. The Romans knew that wellness and beauty were inextricably linked. And that is exactly our philosophy at *VICTOR'S SPA*: here, you'll find a haven of sensuous tranquility and sparkling vitality at the same time. Let us pamper you from head to toe with soothing massages, fragrant aroma baths and deeply cleansing facial treatments like HydraFacial™ and JetPeel™. Our team of expert beauticians makes exclusive use of luxurious, first-class quality cosmetics brands such as Horst Kirchberger, Reviderm, EcoMedic, Landsberg and Vinoble Cosmetics.

In keeping with the theme, our wellness area is also reminiscent of Roman bathing culture: here, you'll find a swimming pool, a whirlpool, a steam room, various saunas and comfortable lounge chairs – whether permitting also outside on the terrace – in short, all the ingredients required to give body, mind and soul a princely rest. But perhaps you'd like to burn off some extra energy first in our exercise room next door, where you'll find everything you need for your personal strength and endurance workout.

And to start off your day on the right food, our rich Good Morning Sunshine breakfast will have you soaring in higher spheres. Buon appetito, buen provecho et bon appétit !

VICTOR'S LANDGASTHAUS
DIE SCHEUNE

RUSTICALLY DELICIOUS

Die Scheune. Its history is inextricably linked with the château. As the translation of its name implies, back in yonder days, „die Scheune“ was the castle stables. Today, you'll be served a huge helping of German Gemütlichkeit and scrumptious country cuisine with a modern twist – from hearty classics made with regional ingredients to creatively composed seasonal specialities. Depending on the weather, you can enjoy food and drink inside by the crackling fireplace or outside in the cosy beer and wine garden at the foot of gently rolling vineyards. And for lunch, may we recommend: our weekly changing menu with daily specials.
