PORTRAIT

Tradition at the pulse of time

It all started with 20,000 Deutsche Mark, a lake and an idea. When construction went underway in the late 1970s to build a reservoir in the idyllic landscape of the Sankt Wendeler Land, Gerold Weingärtner had a revelation: the master baker and his wife took out a building loan contract in the hopes of soon owning a café by the lakeside. On 09 March 1977, the then 27-year-old couple saw their dream come true, with a slight adjustment: instead of a café, the Weingärtners opened a hotel-restaurant with 36 beds – the visionary pastry chef had dared to dream even bigger midway through the construction phase.

Until today, the hotel prides itself of its tradition, yet at the same time, it is always in a state of flux, eager to create new standards. 2018 saw one of those milestones being set: Victor's Seehotel Weingärtner became the first archery hotel in Saarland, complete with its own 3D training facility and Olympic-size archery range.

LAKE BOSTAL

Lake of a thousand possibilities

No doubt, Lake Bostal is a wonderful destination at any time of the year. The largest recreational lake in south-western Germany exudes its special charm 365 days of the year. Not only is it a gorgeous natural beauty, but it also has a lot to offer in terms of leisure activities, like swimming, fishing, sailing, paddle boating and so much more. During the summer months, visitors flock mostly to the lido in Bosen: with its expansive sandy beach, the beach volleyball courts and a children's playground, it has become one of the most popular places around – and the best thing is that it's only a 5-minute walk from the hotel.

Can't make it during the summer? Don't worry, Lake Bostal is a place for all seasons! Enjoy the 6.8 km hiking trail, for example, or the 7.2 km cycle path which lead all around the lake. More information on bicycle or electric bike rentals and guided Segway tours are available at the seaport.

VICTOR'S TIP:

If you are staying with us for two or more nights, in addition to our services, you will also receive a complimentary digital **Saarland Card**, which allows for **free admission not only to the lido in Bosen** but to over 100 attractions. It also includes free bus and rail transit service throughout Saarland. For more information, visit: www.card.saarland
